

1.

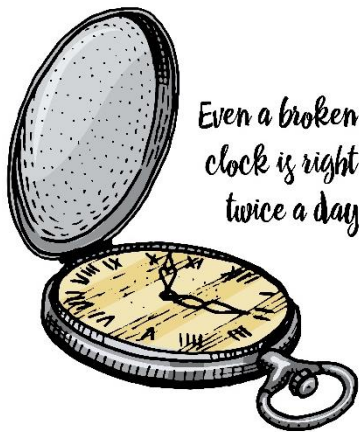

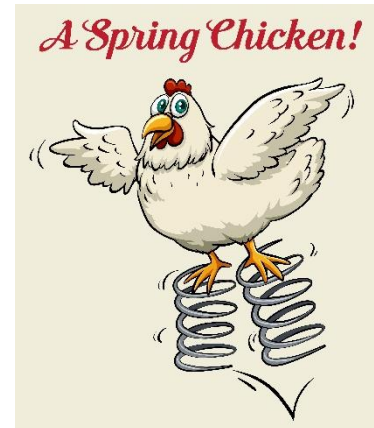

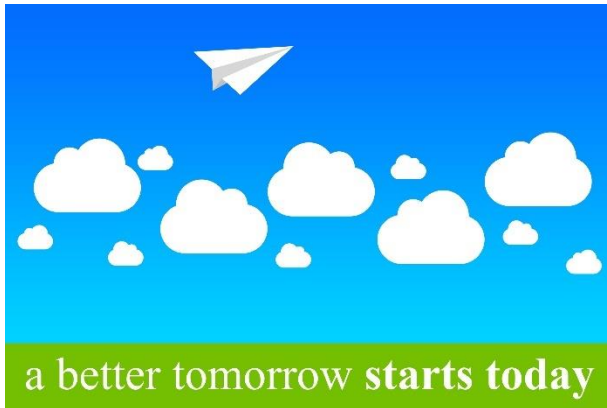

Subject: NUMERACY

- A. Time Words
- B. Days of the Week
- C. Months of the Year
- D. Times

Name:

A. Time General

1. Time is a strange thing. Often, we run out of time during the day or we find ourselves rushing to get to places on time. In our times, we are ruled by the clock.

PEOPLE OFTEN SAY THAT MOTIVATION DOESN'T LAST

WELL, NEITHER DOES BATHING
THAT'S WHY WE
RECOMMEND IT DAILY

2. Find the time words. There are 67!

(The list of words can be found in Appendix 1)

B. Days of the Week

LEARN THIS

Sunday

Monday

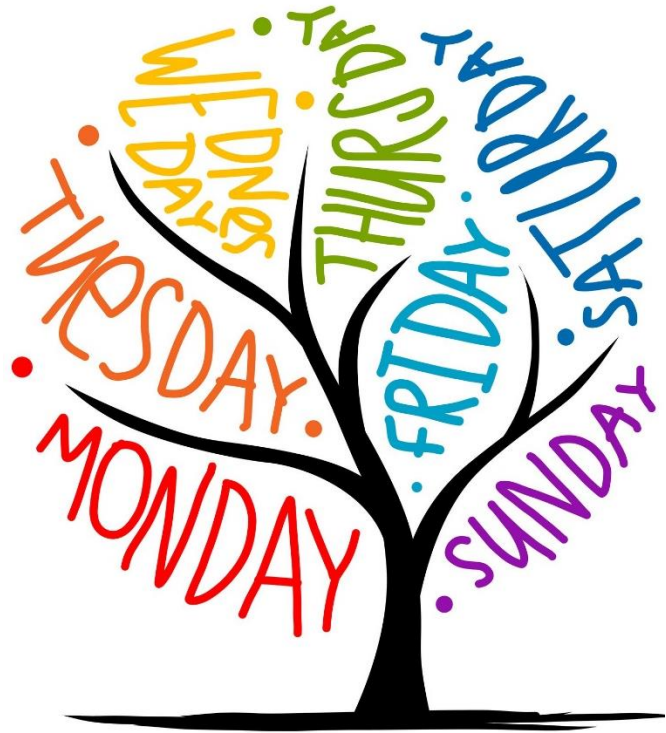

Tuesday

Wednesday

Thursday

Friday

Saturday

1. Trace the words then write them.

Sunday

.....

Monday

.....

Tuesday

.....

Wednesday

.....

Thursday

.....

Friday

.....

Saturday

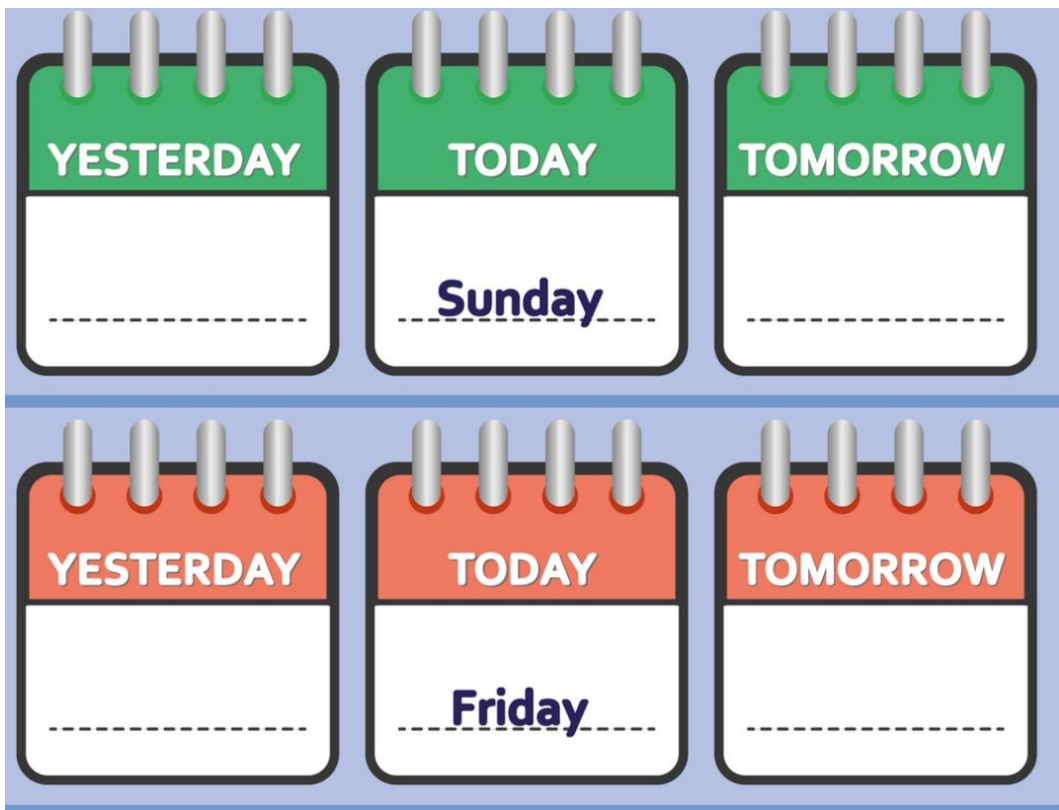

.....

2. Write the days of the week in order.

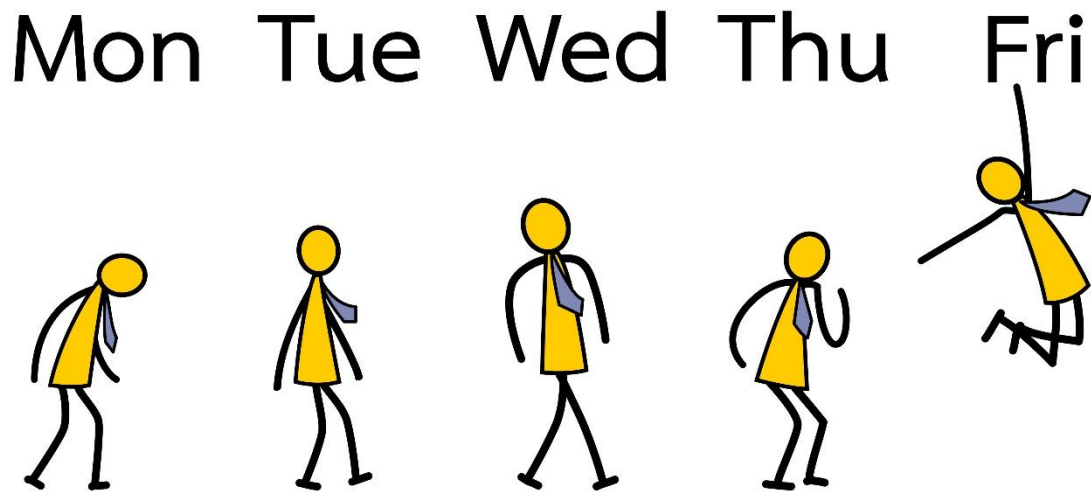

**Thursday, Tuesday, Sunday, Wednesday,
Monday, Saturday, Friday**

Days of the Week

3. Fill in the missing days.

4. We often use shortened words for the days of the week. Look at the example below:

5. What are the shortened words for these below?

Saturday _____

Sunday _____

6. Complete the sentences.

days, Mondays, 7, Friday, Sundays, weeks

a) There are _____ days in a week.

b) Weekends consist of Saturdays and _____.

c) There are 52 _____ in a year.

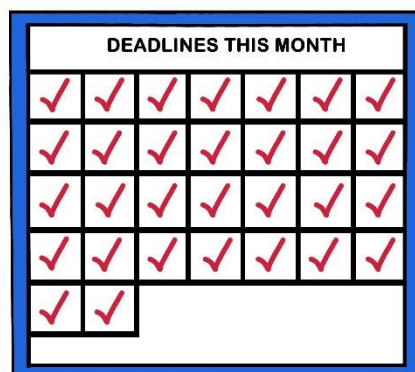

d) There are 365 _____ in a year.

e) The last day of the week for students is usually a _____.

f) There is a song called 'I don't like _____'.

7. Fill in the 'A Week in the Life of Me' table below. Write one thing you have done on each day of the week.

A Week in the Life of Me	
Monday	Tuesday
Wednesday	Thursday
Friday	Saturday
Sunday	NOTES

C. Months of the Year

1. There are 12 months in a year.

LEARN THIS

LEARN THIS

*In pairs: Study a calendar and talk about it. Learn how many days there are in each month! Use a rhyme or mnemonic to help you remember!

2. Write in the months in the correct order in the calendar below.

**July January May February December September
March April October November June August**

1	2	3
4	5	6
7	8	9
10	11	12

3. Write the months that come before and after.

Before	This Month	After
	February	
	October	
	January	
	November	
	August	
	April	

4. Months are also often shortened, e.g. January is often shortened to Jan.

Cross out parts of each word below so that only the shortened forms of the months remain.

5. Write the shortened forms of the words in the calendar below:

1	2	3
4	5	6
7	8	9
10	11	12

D. Times

1. Complete the sentences.

30, December, 29, 12, February, 31, October

- a) There are _____ months in a year.
- b) The last month of the year is _____.
- c) Halloween is in the month of _____.
- d) Valentine's Day is in the month of _____.
- e) April has _____ days.
- f) In a leap year, February has _____ days.
- g) July has _____ days.

2. Answer the questions:

a) When is your birthday?

b) What is your date of birth?

c) What is the date today?

3. State what you did or might do ...

a) Today

b) Tomorrow

4. What is something important you did a year ago?

5. What is something you might do in 10 years' time?

6. Write the meanings of the words:

10 years, 2 weeks, 1000 years, 100 years

a) fortnight

b) century

c) decade

d) millennium
