

APPENDIX 3 Following directions

How Well Can You Follow Directions?

Objective: To demonstrate how important it is to follow directions accurately

Preparation: A pen or pencil, and a piece of blank paper (A4)

Directions: You have a 5 minute time limit to complete these questions. Carefully read all of the questions before you start. Good Luck!

You may begin now.

1. Write today's date in the top right hand corner of your paper.
2. Write the past tense of "go" below the date.
3. Write the name of the month that begins with the letter "D" in the top left hand corner of your test paper.
4. Write your birthday under your answer for number 3.
5. In the bottom left hand corner of your paper, write the name of your favourite singer.
6. Say aloud "This test is very easy."
7. In the bottom right hand corner of your test paper, draw a rectangle. Inside the rectangle, draw a star.
8. Directly above your answer to #7, draw three small circles.
9. Somewhere on the back of your paper, write the name of president of Ireland. If you don't know the answer, write your name.
10. Write the name of a country that begins with the letter "I" directly under your answer to #2.
11. Write 2 things, in the centre of your test paper, that you do every day.
12. Write about 2 things that your classmates are doing right now. Write these sentences on your paper directly under your answer to #11.
13. Now you have carefully read all of the questions, go back and only do #3.

How did you do?
